

## Miner's Harness Underground Duraclean

### Product information

The Miller Underground Miner's harness is a full body harness incorporating a prospector belt with tool loops, stainless steel hardware and aluminium quick connect buckles.

#### Features

- Rear fall arrest d-ring and d-ring extension.
  - Floating frontal fall arrest d-ring.
  - Fully adjustable leg straps.
  - Aluminium quick connect buckles on the waist and leg straps.
  - Prospector Belt incorporating removable battery and self rescuer strap.
  - Equipped with confined space loops.
  - Wider back pad offering greater back support and stability.
  - Equipped with a label pack housing all relevant harness information including donning instructions, connecting instructions and inspection grid. The label pack is also equipped with an oversized pull-free lanyard ring enabling the user to temporarily park the lanyard.
  - Manufactured from polyester webbing, the Duraclean webbing is treated with Rucostar E coating which forms an invisible protective sleeve around the webbing preventing water, oil or dirt from being absorbed into the webbing.
- Duraclean special webbing with water and oil resistant properties offers many advantages over standard products including good abrasion resistance in comparison to standard polyester webbing.

**Material:** Duraclean Webbing, Aluminium
