

Twin Lanyard Miller® with Karabiner and 60mm Scaff Hook

Product information

NO PICTURE

Twin sharp edge lanyard with light-weight rope adjuster, triple action karabiner and 60mm triple action scaff hook. Offers workers the ideal solution when working near sharp edges. Versatile and suitable for a variety of fall arrest applications.

- Features light weight rope adjuster and an external energy absorber which allows for visual indication of a sustained fall.
- For use in fall arrest situations where the free fall doesn't exceed 2 metres.
- When estimating free fall distances the extension of the energy absorber must be taken into consideration. The maximum energy absorber deployment is 1.75m.
- Adjustable lanyard allows the user to minimise fall risks by adjusting the lanyard to suit the job.

Material: Aluminium Alloy, Kernmantle
