

Fall Arrest Miller TurboLite Edge

Product information

The Turbolite Edge is a self-retracting lifeline (SRL) for automatic operation. It has undergone rigorous testing to ensure its effectiveness on edges and is appropriate for various work environments, including scenarios necessitating low-angle anchoring. Renowned for its reliability, adaptability, and safety commitment, it is highly recommended for use in the construction sector.

Marking: According to standard, CE-marked

Standard: EN 360
